SUSHMA SWARAJ INSTITUTE OF FOREIGN SERVICE
MINISTRY OF EXTERNAL AFFAIRS

The quarter April-June 2020 was a particularly challenging one for the Sushma Swaraj Institute of Foreign Service (SSIFS) due to the unprecedented Covid-19 pandemic resulting in a prolonged lockdown with 'work from home'. As a result, the traditional SSIFS methodology of interactive class room sessions needed to be suspended. However, the Institute's innovative spirit sought to seek opportunities in this challenge.

SSIFS went digital in a big way. In the past, training courses over webinar had been conducted selectively for officers and staff posted in Missions/Posts abroad. Online training almost became the new normal and was mainstreamed for our sessions at all levels. It is noteworthy that Phase-II of Induction Training Programme (ITP) of IFS Officer Trainees-2019 during this time was entirely conducted online. This entailed training through regular online modules as also new ones dealing with cyber security, speed reading, etc. The very first training programme of Interpreters Cadre of MEA was conducted entirely online. Similarly, mandatory training for officers and staff related to promotions and postings was conducted online with a focus on practical application of IMAS, IVFRT, etc.

Once the initial hesitation and some technical glitches were overcome, SSIFS discovered that the digital medium provided a viable option even for normal times. It also enabled the Institute to leverage eminent scholars, academics, experts who were based outside Delhi including in foreign countries as guest faculty. Going forward, SSIFS's endeavour will be on optimum combination of physical classes with online sessions to calibrate a healthy mix.

The International Forum on Diplomatic Training's (IFDT) Steering Group online meeting on June 8 reviewed and finalised IFDT's annual conference calendar in the light of challenges posed by Covid 19. This first IFDT Steering Group meeting at which India was participating decided that India would remain the host of IFDT's annual conference in 2022 to coincide with India@75.

Training of IFS OTs

Induction Training Programme of Indian Foreign Service (IFS) Officer Trainees (2019 batch) and Diplomats from Bhutan

The classroom sessions and study tours of Induction Training Programme (ITP) for 30 IFS Officer Trainees (OTs) of 2019 Batch and 2 diplomats from Bhutan, which commenced in December 2019, were disrupted in the last week of March 2020 due to COVID-19 pandemic.

However, in April this year, the OTs and Bhutanese diplomats performed duty in the Control Room of the Ministry of External Affairs (MEA) and assisted in dealing with MEA's COVID-19 related work. Specifically, they were assigned various countries/regions to answer queries from Indian citizens/NRIs/PIOs in these countries/regions. This provided the OTs firsthand experience on crisis management.

Subsequently, the OTs participated in an online Cyber-Security Course by Gujarat Forensic Sciences University (GFSU), Gandhinagar, Gujarat.

The OTs also had an online training programme on 'Speed Reading and Memory Training' by IRIS Chicago, USA.

Phase-II of ITP commenced on 15 June 2020 through webinar and is in progress.

Cooperation with IFDT

Amb. J.S. Mukul, Dean (SSIFS) participated in an online meeting of IFDT (International Forum on Diplomatic Training) Steering Group on 8 June. Amb. Mukul reiterated India's keen interest to host the annual IFDT meeting in India in 2022 to coincide with India@75. IFDT has agreed to the proposal.

Amb Mukul also took part in an online conference 'The Impact of Covid-19 on Diplomatic Training: Best Practices, Recommendations and Future Plans' on 10 June hosted by the Mohammad bin Mubarak Al Khalifa Academy for Diplomatic Studies of Bahrain.
