1. Which course do you wish to do and why?
2. Which career path are you looking at, after finishing this course?
3. What does your parent (one or both) do? Are they in a similar field?
4. What kind of job will you get if you do this course in your country?
5. Do you know any companies which are actually providing such jobs?
6. How will you pay for the fees?
 - Self Sponsored
 - Govt. Scholarship
 - Loan from local bank in your country
7. Have you had a conversation with them and can you show me the proof that they will be able to support your education?
8. Can I speak to them because the college does not allow us to provide endless unlimited offer letters without prior investigation or understanding of the ability of the child to support his/her education even more so because such letters are then presented to the embassy.
9. Please share relevant number of father or mother or Guardian.
