YASHOBHOOMI (IICC)

(INDIA INTERNATIONAL CONVENTION & EXPO CENTRE)

ISEE, the E & E Show and India's largest show for the elevator industry will be hosted at Yashobhoomi (IICC), nestled at the border of Delhi-Gurgaon, located in Dwarka, New Delhi across 40,000 sqm of exhibition space.

India's largest convention & exhibition centre

It is a smart city project being driven by the Government of India with a total of 300,000 m² convention & exhibition space.

Unique Multipurpose Convention & Exhibition Centre

It is the only complex development facility of its kind in India when completed will be spread over a total built up area of 1 million square meters. Located between the exhibition and convention facilities, the artistic 1km-long foyer will provide a comfortable stay for visitors to various attractions, shopping and entertainment, as well as 3,500 hotel rooms, office space and meeting facilities.

Best Location

YASHOBHOOMI (IICC) is located 10 km from Delhi International Airport, with the surrounding area home to a sports complex, diplomatic residences, a golf course and the airport city hotel. It is 25 km from the city centre of New Delhi, but is in the best geographical location with no traffic.

Best Public Transportation Infra

YASHOBHOMI Sector 25 Metro station within the premises extension of the airport metro express Line.

YASHOBHOOMI can be accessed from the 100m wide UER II (Urban Extension Road II) on north side which is 6km from National Highway-8 (IGI Airport).

YASHOBHOOMI and Terminal 3 (IGI Airport) will be connected via new underpass approach road.

With cutting edge In-built parking facilities capable of accommodating 34,808 vehicles. (Indoor 28,608, Outdoor 6,200). YASHOBHOOMI (IICC), unlike other convention and exhibition facilities, will be able to host events without any traffic congestion.

Best Accommodation

20,000 rooms in a 20-minute radius.
